CAUTION STATEMENT

N/A

ADVISORY STATEMENT

Where an incorrect recipe pH balance is present within a plain cake recipe, a reaction can take place between the natural colourant Anthocyanin and raising agents which could cause discolouration in the cake crumb. BAKO Select Jams are intended to be used only with baked products that have a balanced pH recipe. BAKO accepts no responsibility for any discolouration in baked products with an unbalanced recipe pH or baked products which are produced otherwise than in accordance with this statement.
